Glass in building - Insulating glass units

Part 1: Generalities, system description, rules for substitution, tolerances and visual quality

National foreword

This British Standard is the UK implementation of EN 1279-1:2018. It supersedes BS EN 1279-1:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/520, Glass and glazing in building.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
