Gas-fired domestic appliances producing hot water

Part 5: Assessment of energy consumption of gas-fired appliances combined with electrical heat pump

National foreword

This British Standard is the UK implementation of EN 13203-5:2018.

The UK participation in its preparation was entrusted to Technical Committee GSE/29, Gas-fired central heating boilers (domestic and non-domestic) and domestic gas-fired water heaters.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
