Coil coated metals — Test methods

Part 17: Adhesion of strippable films

National foreword

This British Standard is the UK implementation of EN 13523-17:2019. It supersedes BS EN 13523-17:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/21, Paint systems and surface preparation for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
