

Tanks for the transport of dangerous goods — Tank equipment for the transport of liquid chemicals — Hinged manhole covers and neckrings with pivoting bolts

The European Standard EN 14512:2006 has the status of a British Standard

ICS 13.300; 23.020.20

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 14512:2006.

The UK participation in its preparation was entrusted to Technical Committee AUE/18, Tanks for the transport of dangerous goods.

A list of organizations represented on AUE/18 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 December 2006
