

BSI Standards Publication

LPG equipment and accessories - Automotive LPG vehicles workshops

Part 2: Personnel competence and training

National foreword

This British Standard is the UK implementation of EN 16652-2:2019.

The UK participation in its preparation was entrusted to Technical Committee PVE/19, LPG containers and their associated fittings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
