Walk-in cold rooms - Definition, thermal insulation performance and test methods

Part 2: Customized cold rooms

National foreword

This British Standard is the UK implementation of EN 16855-2:2018.

The UK participation in its preparation was entrusted to Technical Committee RHE/19, Commercial refrigerated food cabinets (cold room and display cases).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
