

BSI Standards Publication

Thermal insulation products for buildings — Factory-made vacuum insulation panels (VIP) — Specification

National foreword

This British Standard is the UK implementation of EN 17140:2020.

The UK participation in its preparation was entrusted to Technical Committee B/540/9, Reflective insulation and in-situ testing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
