Bitumen shingles with mineral and/or synthetic reinforcements — Product specification and test methods

National foreword

This British Standard is the UK implementation of EN 544:2011. It supersedes BS EN 544:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/542/6, Corrugated sheeting materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
