Direct acting indicating analogue electrical measuring instruments and their accessories

Part 7: Special requirements for multi-function instruments

National foreword

This British Standard is the UK implementation of EN IEC 60051-7:2018. It is identical to IEC 60051-7:2017. It supersedes BS 89-7:1990, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/85, Measuring equipment for electrical and electromagnetic quantities.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
