Tests on electric and optical fibre cables under fire conditions

Part 3-10: Test for vertical flame spread of vertically-
mounted bunched wires or cables — Apparatus

National foreword

This British Standard is the UK implementation of EN IEC 60332-3-10:2018+A11:2020. It is derived from IEC 60332-3-10:2018. It supersedes BS EN IEC 60332-3-10:2018, which will be withdrawn on 16 September 2023.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to text carry the number of the CENELEC amendment. For example, text altered by CENELEC amendment A11 is indicated by A11 A11.

The UK participation in its preparation was entrusted to Technical Committee GEL/20/18, Electric Cables - Fire testing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
