

BSI Standards Publication

Vulcanized fibre for electrical purposes

Part 2: Methods of test

National foreword

This British Standard is the UK implementation of EN IEC 60667-2:2020. It is identical to IEC 60667-2:2020. It supersedes BS 6091-2:1987, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/15, Solid electrical insulating materials.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
