Components for low-voltage surge protection

Part 331: Performance requirements and test methods for metal oxide varistors (MOV)

National foreword

This British Standard is the UK implementation of EN IEC 61643-331:2020. It is identical to IEC 61643-331:2020. It supersedes BS EN IEC 61643-331:2018, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/37/1, Surge Arresters - Low Voltage.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
