Fibre optic interconnecting devices and passive components — Interface standard for fibre management systems

Part 1: General and guidance

National foreword

This British Standard is the UK implementation of EN IEC 61756-1:2020. It is identical to IEC 61756-1:2019. It supersedes BS IEC 61756-1:2019 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/2, Fibre optic interconnecting devices and passive components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
