Framework for energy market communications

Part 451-6: Publication of information on market, contextual and assembly models for European-style markets (IEC 62325-451-6:2018)

National foreword

This British Standard is the UK implementation of EN IEC 62325-451-6:2018. It is identical to IEC 62325-451-6:2018. It supersedes BS EN 62325-451-6:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/57, Power systems management and associated information exchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
