

BSI Standards Publication

Radiation protection instrumentation — Alarming personal radiation devices (PRDs) for the detection of illicit trafficking of radioactive material

National foreword

This British Standard is the UK implementation of EN IEC 62401:2019. It is identical to IEC 62401:2017. It supersedes BS IEC 62401:2017, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
