

BSI Standards Publication

Junction boxes for photovoltaic modules — Safety requirements and tests

National foreword

This British Standard is the UK implementation of EN IEC 62790:2020. It is identical to IEC 62790:2020. It supersedes BS EN 62790:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/82, Photovoltaic Energy Systems.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
