

BSI Standards Publication

Bolted bonnet steel gate valves for the petroleum, petrochemical and allied industries

National foreword

This British Standard is the UK implementation of EN ISO 10434:2020. It is identical to ISO 10434:2020. It supersedes BS EN ISO 10434:2004, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/18/2, Gate, globe, diaphragm and check valves.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
