

BSI Standards Publication

**Buildings and civil engineering works - Sealants -
Determination of change in mass and volume (ISO
10563:2017)**

National foreword

This British Standard is the UK implementation of EN ISO 10563:2017. It is identical to ISO 10563:2017. It supersedes BS EN ISO 10563:2005, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
