

BSI Standards Publication

Resistance welding equipment — Transformers — Integrated transformers for welding guns

National foreword

This British Standard is the UK implementation of EN ISO 10656:2021. It is identical to ISO 10656:2016, incorporating corrigendum August 2018. It supersedes BS ISO 10656:2016, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/29, Resistance welding.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
