Health and safety in welding and allied processes — Sampling of airborne particles and gases in the operator's breathing zone

Part 1: Sampling of airborne particles (ISO
10882-1:2011)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 10882-1:2011. It supersedes BS EN ISO 10882-1:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/40, Health and safety in welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
