National foreword

This British Standard is the UK implementation of EN ISO 11073-10103:2013. It is identical to ISO/IEEE 11073-10103:2014.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
