Plastics piping systems for renovation of underground gas supply networks

Part 1: General

National foreword

This British Standard is the UK implementation of EN ISO 11299-1:2018. It is identical to ISO 11299-1:2018. It supersedes [BS EN ISO 11299-1:2013](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/88/3, Rehabilitation of pipeline systems using plastics piping materials and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
