National foreword

This British Standard is the UK implementation of EN ISO 11495:2016. It is identical to ISO 11495:2014. It supersedes BS ISO 11495:2014 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/53, Specifications and test methods for jewellery and horology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
