National foreword

This British Standard is the UK implementation of EN ISO 11987:2012. It supersedes BS EN ISO 11987:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/172/9, Contact lenses and contact lens care products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
