

Animal and vegetable fats and oils — Determination of lead by direct graphite furnace atomic absorption spectroscopy

The European Standard EN 12193:2004 has the status of a
British Standard

ICS 67.200.10

National foreword

This British Standard is the official English language version of EN ISO 12193:2004. It is identical with ISO 12193:2004. It supersedes BS EN ISO 12193:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/307, Oil seeds animal and vegetable fats and oils, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
