Wood-based panels — Determination of formaldehyde release

Part 3: Gas analysis method

National foreword

This British Standard is the UK implementation of EN ISO 12460-3:2020. It is identical to ISO 12460-3:2020. It supersedes BS EN ISO 12460-3:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/541, Wood based panels.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
