Environmental management systems — Guidelines for using ISO 14001 to address environmental aspects and conditions within an environmental topic area

Part 1: General

National foreword

This British Standard is the UK implementation of EN ISO 14002-1:2020. It is identical to ISO 14002-1:2019. It supersedes [BS ISO 14002-1:2019](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SES/1, Environmental management.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
