Non-active surgical implants — Mammary implants — Particular requirements

National foreword

This British Standard is the UK implementation of EN ISO 14607:2018. It supersedes BS EN ISO 14607:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/150, Implants for surgery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
