National foreword

This British Standard is the UK implementation of EN ISO 14691:2008. It supersedes BS EN ISO 14691:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/17/-/6, Materials and equipment for petroleum, petrochemical and natural gas industries.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
