Health and safety in welding and allied processes — Equipment for capture and separation of welding fume

Part 1: Requirements for testing and
marking of separation efficiency

National foreword

This British Standard is the UK implementation of EN ISO 15012-1:2013. It supersedes BS EN ISO 15012-1:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/40, Health and safety in welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
