

BSI Standards Publication

Non-destructive testing – Eddy current testing – General principles (ISO 15549:2019)

National foreword

This British Standard is the UK implementation of EN ISO 15549:2019. It supersedes BS EN ISO 15549:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/46/4, Eddy Current Methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
