

BS EN ISO 16170:2016

BSI Standards Publication

In situ test methods for high efficiency filter systems in industrial facilities (ISO 16170:2016)

National foreword

This British Standard is the UK implementation of EN ISO 16170:2016.

The UK participation in its preparation was entrusted to Technical Committee MCE/21, Filters for gases and liquids.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
