

BSI Standards Publication

Fasteners - Types of inspection documents

National foreword

This British Standard is the UK implementation of EN ISO 16228:2018. It is identical to ISO 16228:2017.

The UK participation in its preparation was entrusted to Technical Committee FME/9, Fasteners.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
