# Self-propelled agricultural machinery — Assessment of stability

Part 2: Determination of static stability and test procedures

**National foreword**

This British Standard is the UK implementation of EN ISO 16231-2:2015.

The UK participation in its preparation was entrusted to Technical Committee AGE/6, Agricultural tractors and forestry machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
