Health informatics — Categorial structure for terminological systems of human anatomy (ISO 16278:2016)

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 16278:2016. It supersedes BS EN 15521:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
