

Resistance welding — Procedure for projection welding of uncoated and coated low carbon steels using embossed projection(s)

The European Standard EN ISO 16432:2007 has the status of a British Standard

ICS 25.160.10

National foreword

This British Standard is the UK implementation of EN ISO 16432:2007. It is identical with ISO 16432:2006. It supersedes BS ISO 2630:1982 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/29, Resistance welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

Amendments issued since publication

Amd. No.	Date	Comments
17294	31 August 2007	Renumbers BS ISO 16432:2006 as BS EN ISO 16432:2007

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 15 February 2006
