National foreword

This British Standard is the UK implementation of EN ISO 16610-85:2013. It partially supersedes BS EN ISO 25178-2:2012, specifically Annex A (Segmentation).

The UK participation in its preparation was entrusted to Technical Committee TDW/4, Technical Product Realization.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
