raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN ISO 17636-2:2013. Together with BS EN ISO 17636-1:2013, it supersedes BS EN 1435:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
