

Welding — Quality requirements for heat treatment in connection with welding and allied processes (ISO 17663:2009)

ICS 25.160.01,

National foreword

This British Standard is the UK implementation of EN ISO 17663:2009. It supersedes PD CR ISO 17663:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/-/1, Briefing committee for welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009
