

Water quality — Determination of chromium(VI) — Photometric method for weakly contaminated water

The European Standard EN ISO 18412:2006 has the status of a British Standard

ICS 13.060.50

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 18412:2006.

The UK participation in its preparation was entrusted by Technical Committee EH/3, Water quality, to Subcommittee EH/3/2, Physical chemical and biochemical methods.

A list of organizations represented on EH/3/2 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
