Woodworking machines – Safety

Part 13: Multi-blade rip sawing machines with manual loading and/or unloading

National foreword

This British Standard is the UK implementation of EN ISO 19085-13:2020. It is identical to ISO 19085-13:2020. It supersedes BS EN 1870-4:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MTE/23, Woodworking machines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
