National foreword

This British Standard is the UK implementation of EN ISO 1927-2:2012. It supersedes BS EN 1402-2:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RPI/1, Refractory products and materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
