

BSI Standards Publication

Building construction machinery and equipment - Portable, hand-held, internal combustion engine-driven abrasive cutting machines

Part 1: Safety requirements for cut-off machines for
centre-mounted rotating abrasive wheels

National foreword

This British Standard is the UK implementation of EN ISO 19432-1:2020. It is identical to ISO 19432-1:2020. It supersedes BS EN ISO 19432:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
