

Water quality — Sampling for microbiological analysis

The European Standard EN ISO 19458:2006 has the status of a British Standard

ICS 13.060.45

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 19458:2006.

The UK participation in its preparation was entrusted by Technical Committee EH/3, Water quality, to Subcommittee EH/3/4, Microbiological methods.

A list of organizations represented on EH/3/4 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
