

BSI Standards Publication

Dentistry — Filling instrument with contra angle

National foreword

This British Standard is the UK implementation of EN ISO 19715:2017. It is identical to ISO 19715:2017.

The UK participation in its preparation was entrusted by Technical Committee CH/106, Dentistry, to Subcommittee CH/106/4, Dental Instruments and Equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
