

BSI Standards Publication

Plastics and rubber machines — Injection moulding machines — Safety requirements

National foreword

This British Standard is the UK implementation of EN ISO 20430:2020. It is identical to ISO 20430:2020. It supersedes BS EN 201:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/3/2, Rubber and plastics machine - Safety.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
