

BSI Standards Publication

**Pigments and extenders — Determination of
experimentally simulated nano-object release
from paints, varnishes and pigmented plastics**

National foreword

This British Standard is the UK implementation of EN ISO 21683:2020. It is identical to ISO 21683:2019. It supersedes [BS ISO 21683:2019](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/1, Pigments.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
