Safety and control devices for oil burners and oil-burning appliances — Particular requirements

Part 1: Automatic and semi-automatic
valves

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 23553-1:2014. It is identical to ISO 23553-1: 2014. It supersedes BS EN ISO 23553-1:2009 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GSE/22, Safety and control devices for gas and oil burners and gas burning appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
