BSI Standards Publication

Textile machinery — Guide to the design of textile machinery for reduction of the noise emissions

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 23771:2015.

The UK participation in its preparation was entrusted to Technical Committee TCI/33, Textile machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
