

Tips for assistive products for walking — Requirements and test methods

Part 1: Friction of tips (ISO
24415-1:2009)

ICS 11.180.10,

National foreword

This British Standard is the UK implementation of EN ISO 24415-1:2009.

The UK participation in its preparation was entrusted to Technical Committee CH/173, Assistive products for persons with disability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2009.
